

We are an international, growing company with operations in cities around the world. Interns will be supporting Global Chamber's headquarters team in our daily operations. We welcome new insights and ideas, which is why we're looking for someone who is as passionate about global business as we are. Have a great idea about starting a new chapter in Hong Kong? We want to hear about it! We want someone willing to brainstorm with us at our meetings in a hands-on learning environment.

Under the supervision and mentorship of the Global Chamber team at headquarters, interns will gain experience working with a lean start-up in its first years of initial growth. They will be learning about new program development and expansion strategies through research into international cities.

Interns will gain global exposure by having access to Global Chamber members around the world. While Global Chamber cannot guarantee employment after the conclusion of the internship, the intern will be making connections with business executives and decision makers in a variety of international companies.

We are looking for someone currently seeking a degree as either a part-time or full-time student in any field. Start/end date is flexible. 10-15 hours per week, working around interns' school schedule. We have open positions in the marketing and social media department, and business development department.

#### DESIRED SKILLS / EXPERIENCE

- A passion for connecting individuals and organizations through global business.
- Courteous, professional demeanor when representing Global Chamber
- Proficient in Excel, Word, Google Drive, Gmail
- Very internet savvy and a willingness to learn more"

If you are interested in applying for this internship, please email your resume to Cynthia Gemberling at [Cynthia.gemberling@scottsdalecc.edu](mailto:Cynthia.gemberling@scottsdalecc.edu) .
