RE: Marketing & Technology Director

I am looking for an intern who knows a little bit about putting together websites but mainly knows how to create marketing and name recognition through email, social media and direct mail for a private money lender, real estate company and commercial lending.

Responsibilities: Create logos, websites (do not need to know how to program), facebook, instagram, linkedIn, twitter and any other social media into a marketing plan to increase name recognition as well as generate business.
Help in finding and creating new and improve ways through technology to market new businesses.

Location: 4167 N Marshall Way Scottsdale AZ 85251 or Satellite Location

Hours: 10 a week

Pay: \$10 an hour

You will enjoy using the things you are learning in your classes into the “real world” of business. This position is not micromanaged so you will be able to use your creativity to it’s fullest.
