Forensic Accounting Intern Wanted

Looking for part time intern to work in the area of family law forensic accounting. The ideal candidate will be an accounting student and must have experience in excel. In addition, knowledge of Quicken and QuickBooks is desired, but not required.

Cantor Forensic Accounting, PLLC is a boutique forensic accounting firm and you will be working directly with the owner of the firm. Besides gaining valuable experience in family law accounting you will also be learning about personal and business tax returns, financial statements, general ledgers and other financial reporting items.

Hours are flexible and we will work around your school schedule. All work will be performed in the office in Chandler. The pay rate will be \$15 - \$20/hour based on experience. This position has the ability to extend beyond the current school semester.

Please e-mail your resume to Cynthia.gemberling@scottsdalecc.edu .
