

Company Description

Hunter Hagan & Company, Ltd. is dedicated to providing personalized, quality and timely tax, consulting and financial planning services to our clients.

The firm of Hunter Hagan & Company, Ltd. has taken a unique approach to public accounting since its formation in 1985. From the beginning, the Firm has strived to provide an extra measure of service. Our “Service Beyond the Numbers”[®] strategy has proven itself successful, evidenced by the firm’s steady growth.

We are guided by integrity, honesty and a deep respect for our profession, our clients and our firm members. Our commitment to these values is the reason that we can provide our clients with SERVICE BEYOND THE NUMBERS[©]

As Trusted Advisors to our clients, we pride ourselves on being responsive to their needs as we provide accounting, tax and business services to assist them in achieving their professional and personal goals. While it is a fact that “two plus two equals four” for all Certified Public Accounting firms, it is our “Service Beyond the Numbers”[®] that makes the difference to our clients.
